# TAS Sport Uniform 2023

**TAS**  
SPORT

**Creating a uniform that encourages students of all genders, ages and playing abilities to play sport.**

**TAS  
SPORT**

**Creating consistency across all sports in the design, colours and garment quality.**

**Ensuring the Uniform supplier and processes are environmentally sustainable.**

**Creating a Hire System to reduce waste and overall costs to families.**

# Uniform Statement

The TAS Sport Uniform is an important part of the School's identity and culture. **It reflects the value we place on traditional standards of excellence whilst being modern, sustainable and of the highest quality.** We want TAS students to be proud of the TAS Sport uniform and know that it is of the highest quality for their playing level.

The refreshed Sports Uniform has been developed to create consistency of design, colours and apparel across the range of sports that TAS offers. The 'TAS Stripe' will become an iconic element of the TAS Sport identity. The Stripe is also a nod to our school's history as it was the Rugby uniform when the schools became coeducational in 1972.

# Gilbert Partnership

After a lengthy Tender process, TAS is proud to have chosen to work with Gilbert as our exclusive Sports Apparel provider.

Founded in 1855 by Henry John Gray, Gray-Nicolls Sports (Gilbert) has grown to its present pre-eminent global position, and is proudly still family owned and run by fifth generation Gray family members.

Gilbert has been at the root of some of the best-known sporting products for over 160 years. This time frame has seen its products used by sports stars who have long since assumed legendary status and has provided the business with a unique gravitas. It's heritage and record of innovation has been distilled into a powerful portfolio of brand names familiar throughout the sporting world, resulting in a one stop shop for sporting equipment, accessories and apparel.

# Environmental Impact

An essential element of the Uniform redesign was lessening the waste and overall environmental footprint of the TAS Sport Uniform. **This commitment to sustainability is multi-faceted as the school has chosen only 100% recycled fabrics, a hire system that allows students to upsize each year as they grow**

*Envyro* is Gilbert's latest recycled performance fabric offering, which is manufactured from recycled and sustainable materials. While plastic consumption is on the rise, we're doing our part to give single-use plastic bottles a second life. *Envyro* is the cornerstone of Gilbert's sustainable eco-conscious program, where they have proudly reduced their water and energy consumption, invested in product development and realigned their environmental values for a sustainable future.

# Hiring Options

TAS is committed to lessening the financial and environmental impact of our Sporting Uniforms on families and from 2023 will introduce a Hiring System for TAS Sport Playing Uniforms. This allows growing students to upsize each year without paying the full cost of a uniform each time a new size is needed.

**The Hire agreement will see Tops and Dresses available for hire for the season length of that respective sport for a small fee.** Shorts/Pants and socks will still need to be purchased. This will be managed by the Uniform Shop and if garments are not returned by the end of the season on time and in a reasonable condition, the cost of the garment will be charged to Term Fees.

For members of TAS United (Football), the hire of your garments will be arranged directly with the Club.

This will be managed by the Uniform Shop and if garments are not returned by the end of the season on time and in a reasonable condition, the cost of the garment will be charged to Term Fees.*

# Playing Kit Guidelines

**From 2023, the following new Playing Kit will be the only uniform permitted to be worn on the playing field for any sport.** All previous iterations of Playing uniforms will be discontinued. The Playing Kit must only be worn to games and will not be used as a training shirt. Use of the Playing Kit across multiple sports is not allowed.

The appropriate uniform must be worn by students at all times when they are representing the School and TAS Sport. Students are expected to wear their uniform in such a way as to show pride in being identified with the School.

Please note, additional sports may be added to the TAS Sport offering will follow the same design guidelines the current swimming design will not change.
