CHERBOURG

MAKE  
GREAT  
HAPPEN

# CEO Message

TAFE Queensland has a 140 year history of serving Queensland’s communities as the largest, most experienced vocational education and training (VET) provider in the state. Our training is delivered to over 130,000 students each year at more than 60 locations across Queensland, and we offer more than 500 practical, industry-relevant courses ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, TAFE Queensland also offers a range of courses as part of our TAFE at School program. The TAFE at School program is for students in Years 10, 11 or 12 who want to undertake VET study with TAFE Queensland as part of their high school curriculum. Delivery of the TAFE at School program may be undertaken at a TAFE Queensland location, in selected schools or in the workplace as a school-based apprentice/trainee.

The great thing about these courses is that they fit around your existing studies. Completing a qualification through our TAFE at School program also gives you direct entry into most of our courses at TAFE Queensland, access to a variety of university pathways by contributing to your ATAR\*, and multiple ways to get started on your career or trade qualification.

This guide features a range of information about the TAFE at School program, from courses to university pathways and intakes to payment options, as well as information tailored for your parents and schools. For further information you can also visit our website at [tafeqld.edu.au/schoolstudents](http://tafeqld.edu.au/schoolstudents), call **1300 308 233**, or visit your local campus to speak to our friendly customer service team.

I encourage you to speak to your teachers, VET coordinator and/or guidance counsellor, friends and family about your future. You define your greatness, and TAFE Queensland has an option and pathway that is right for you in 2023 and beyond.

Warm regards,

**Mary Campbell**  
Chief Executive Officer (CEO)  
TAFE Queensland

\* Certificate III or higher level qualifications may contribute to your ATAR

The information contained in this guide is correct at time of printing, 25 August, 2022.  
For the most up to date information please refer to our website at [www.tafeqld.edu.au](http://www.tafeqld.edu.au).

In many areas of Australia it is considered offensive to publish photographs of Aboriginal and Torres Strait Islander people who are deceased. Readers are warned that this publication may inadvertently contain such photographs.

We respectfully acknowledge the Traditional Custodians of the lands on which TAFE Queensland operates. We recognise the continuing connection to land, waters, culture and kin that Aboriginal and Torres Strait Islander peoples uphold. We pay our respects to Elders past and present, who give us strength, inspiration and guidance to deliver great training outcomes for all Queenslanders.

Artwork elements from TAFE Queensland's Reconciliation Action Plan artwork 'Connecting Knowledge – Connecting Cultures' by Riki Salam, We are 27 Creative. Born and raised in Cairns on Yidindji land, Riki has connections to Muralag, Kala Lagaw Ya, Meriam Mer, Kuku Yalanji peoples on his father's side and the Ngai Tahu people in the South Island of New Zealand on his mother's side. Visit [tafeqld.edu.au/rap](https://tafeqld.edu.au/rap) to view the Reconciliation Action Plan or see page 62 of this booklet for further information.

# Get more out of high school with TAFE at School

If you're a Year 10\*, 11 or 12 student you may be able to complete a TAFE Queensland qualification while you're still at school.\*

Choose from a variety of certificate I to diploma courses from a range of study areas from construction to community services, hospitality to health care and everything in between.

## HOW TO APPLY

To submit an application for a TAFE at School course, visit [www.tafeapply.com](http://www.tafeapply.com).

You'll need the application code for the course in the location you want to apply for. These can be found at the back of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to [www.usi.gov.au](http://www.usi.gov.au) to get one.

## FIND OUT MORE

Use the QR code to find out more about TAFE at School

\* Subject to a letter of support from the school principal.

# About TAFE at School

## BENEFITS OF TAFE AT SCHOOL

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits\*
- May contribute to your Australian Tertiary Admissions Rank (ATAR)\*\*
- Direct entry to any related TAFE Queensland course\*\*
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

## FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a VET qualification while you're still at school in a way that best suits you.

### ON CAMPUS

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll also learn from our highly-qualified teachers and benefit from their vast experience.

### AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

### INDUSTRY EXPERIENCE

Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement of study.

### TRADE TASTER

Year 10 school students have access to a Trade Taster program which is funded by the Queensland Government. This is unique to TAFE Queensland and offered at no cost. The program allows students to experience the trades industry by studying one unit of competency from different trade areas.

### SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents/guardians, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit [desbt.qld.gov.au/training](https://desbt.qld.gov.au/training).

Enrolment into TAFE at School courses is subject to eligibility requirements. Talk to your VET coordinator or guidance counsellor, or visit our website for more information.

\* Eligibility conditions apply.

\*\* Additional entry requirements may apply for select courses.

# Important information

## TERM DATES 2023

TAFE Queensland term dates align with Queensland school terms to fit with your senior studies.

	QUEENSLAND SCHOOLS	TAFE QUEENSLAND
TERM 1	START Monday 23 January	START Monday 30 January
	FINISH Friday 31 March	FINISH Friday 31 March
TERM 2	START Monday 17 April	START Monday 17 April
	FINISH Friday 23 June	FINISH Friday 23 June
TERM 3	START Monday 10 July	START Monday 10 July
	FINISH Friday 15 September	FINISH Friday 15 September
TERM 4	START Tuesday 3 October	START Tuesday 3 October
	FINISH Friday 8 December	FINISH Friday 27 October

Most TAFE at School courses have intakes in Semester 1 and/or Semester 2, so you can choose to start studying at a time that suits you.

By choosing to start your first course in Year 10 in Semester 2, you can often complete two courses by the time you have six months left of school. This frees you up to concentrate on your studies for the rest of Year 12 so you can nail your final assignments and exams. Bonus: you're ready to hit the ground running in finding a job to earn money, support a gap year or university studies, and kick start your career.

## STUDENT SUPPORT

Everyone's journey is different and sometimes you need some extra support to achieve your study goals. We're here to help. At TAFE Queensland our student support services are available for all of our students, making your learning experience just that little bit easier.

Learn more at [tafeqld.edu.au/studentsupport](https://tafeqld.edu.au/studentsupport).

If you are a TAFE at School student, your regular school support programs are also responsible for ensuring you receive appropriate levels of support while at TAFE. It is expected that if your school normally provides you with a participation assistant or similar for day-to-day learning or personal support, then they also provide this support when you attend your TAFE at School course.

## COST AND PAYMENT OPTIONS

Costs vary from course-to-course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, this is funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to [desbt.qld.gov.au/training/providers/funded/vetis](https://desbt.qld.gov.au/training/providers/funded/vetis). Eligible students are entitled to one VETiS funded program only.

Payment plans may also be available to assist with payment of your course; however if you're under 18 you will need a guarantor. Applications will be subject to credit checks.

For information about our withdrawal and refund policy, please visit the TAFE Queensland website: [tafeqld.edu.au/policies](https://tafeqld.edu.au/policies).

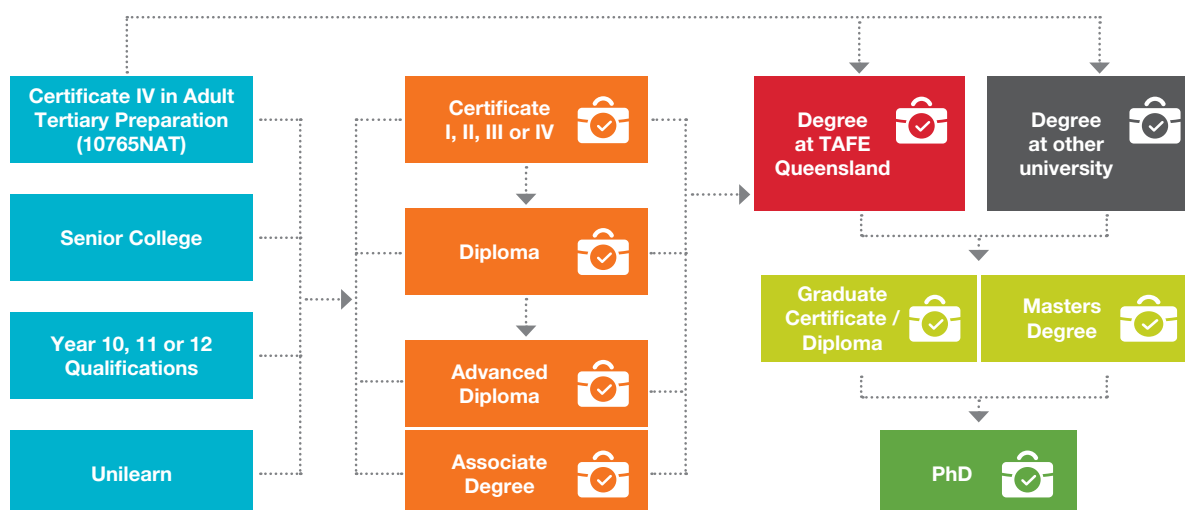

# Pathways to your future

There are plenty of ways to land your dream career, so give yourself a head start and fast track your studies in the process with a TAFE at School course.

Once you complete your TAFE at School course, you may be eligible for direct entry into any related TAFE Queensland diploma. When you complete your diploma, our partnerships with local universities can help guarantee you a place in a bachelor degree.

## OUR PARTNER UNIVERSITIES AND HIGHER EDUCATION PROVIDERS

There's more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.

# Post-school options

## BECOME AN APPRENTICE OR TRAINEE

Learn hands on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you're actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information visit [tafeqld.edu.au/apprentices](http://tafeqld.edu.au/apprentices).

## APPLY FOR A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

After successfully completing a TAFE at School course/s you may be eligible for direct entry into any related TAFE Queensland diploma.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees at [tafeqld.edu.au/courses](http://tafeqld.edu.au/courses).

## GET READY FOR UNIVERSITY

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

Alternatively if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information visit [tafeqld.edu.au/atp](http://tafeqld.edu.au/atp).

## GO TO UNIVERSITY

There's more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means your university may also give you credit for your study at TAFE Queensland, shaving time off your degree.

For more information visit [tafeqld.edu.au/pathways](http://tafeqld.edu.au/pathways).

# GET YOUR CAREER OFF THE GROUND

## WITH TAFE QUEENSLAND AND AVIATION AUSTRALIA

TAFE Queensland has joined forces with Aviation Australia to deliver a range of aviation and aerospace courses including cabin crew preparation, engineering, and pilot training throughout Queensland.

### LEARN MORE

[tafeqld.edu.au/aviation](http://tafeqld.edu.au/aviation)

# Our campuses

No other provider can match TAFE Queensland for scale and location options. With more than 50 locations across the state we have Queensland covered, no matter where you are.

To view all of our locations visit [tafeqld.edu.au/locations](http://tafeqld.edu.au/locations)

## OUR FACILITIES

Step into our purpose-built facilities where you will learn hands-on using the same tools and equipment used in industry. Put your theory into practice straight away in our clinical labs, salons, training restaurants, creative spaces, and trades workshops. Develop your skills, ability, and confidence and gain the practical experience you need to graduate job ready.

For more information visit [tafeqld.edu.au/facilities](http://tafeqld.edu.au/facilities).

# Information for parents

It's tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure's on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

## ABOUT VOCATIONAL EDUCATION AND TRAINING

University is not for everyone. Vocational training is not for everyone. Education *is* for everyone.

Most careers need some form of education and training. But they don't all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

## BUSTING VET MYTHS

The 2017 *Perceptions are Not Reality* report from Skills Australia debunked some of the most common misconceptions about vocational education and training in Australia.

**MYTH:** Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

**FACT:** VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it's 69 per cent for university graduates).

**MYTH:** One in five Australians believe that VET graduates earn less than university graduates.

**FACT:** The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

**MYTH:** Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half those people think VET is no longer as relevant as university education.

**FACT:** VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

## WHY TAFE QUEENSLAND

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child's needs and help them kick start their career.

For more information visit [tafeqld.edu.au/parents](http://tafeqld.edu.au/parents).

## PARENTS' GUIDE

FOR SURVIVING SENIOR  
SCHOOLING AND BEYOND

Subscribe today to get your free copy.  
[go.tafeqld.edu.au/parents-guide](http://go.tafeqld.edu.au/parents-guide)

# Information for schools

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they're tactile learners, VET may be where they will really shine.

## HOW TAFE QUEENSLAND CAN HELP

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit [tafeqld.edu.au/advisors](http://tafeqld.edu.au/advisors).

## PARTNERSHIP WITH SCHOOLS PROGRAM

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

## TRAINING FOR SCHOOL TEACHERS

TAFE Queensland offers low-cost training for school teachers with relevant industry experience so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

## IVET ONLINE PORTAL

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.

## TEACHER AIDE TRAINING

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.

For more information visit [tafeqld.edu.au/education-support](http://tafeqld.edu.au/education-support) or contact us today.

## CONTACT US

The hairdressing industry is highly competitive, so our qualifications are designed to meet industry needs with real-world experience and purpose-built facilities. Learn basic hairdressing tasks, communication techniques and product knowledge. As part of your practical training, you will perform activities in a live salon including colour removal, shampoo and conditioning treatments, and client service. You can use this qualification as a credit towards your first-year apprenticeship at a salon.

## UNIVERSITY PATHWAYS

Bachelor of Engineering Science – University of Southern Queensland  
 Bachelor of Engineering (Honours) – Queensland University of Technology  
 Bachelor of Engineering (Honours) – Griffith University

## CAREER OUTCOMES

Trade assistant/worker in mechanical, metal fabrication, machining, or fitting and turning

Fitter and turner, metal fabricator, welder, machinist, patternmaker, moulder, locksmith, boat builder

Entry level draftsman

Higher engineering tradesperson, special class tradesperson, draftsman

Senior draftsman, advanced engineering tradesperson

Find out more about Trades

\*No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETIS). For eligibility go to [www.training.qld.gov.au/providers/funded/vetis](http://www.training.qld.gov.au/providers/funded/vetis)

# CERTIFICATE III IN ENGINEERING

(TECHNICAL)

COURSE CODE: MEM30505

## CORE UNITS

MEM16006A	Organise and communicate information
MEM16008A	Interact with computing technology
MSAENV272B	Participate in environmental sustainable work practices

## ELECTIVE UNITS

MEM12023A	Perform engineering measurements
MEM09002B	Interpret technical drawings
MEM18001C	Use hand tools
MEM09202A	Produce freehand sketches
MEM30031A	Operate computer-aided design (CAD) system to produce basic drawing elements
MEM30032A	Produce basic engineering drawings
MEM30033A	Use computer-aided design (CAD) to create and display 3-D models

## PATHWAY OPTIONS

Certificate III in Engineering (Technical) MEM30505

Certificate IV in Engineering MEM40119  
Certificate IV in Engineering Drafting MEM40412

Diploma of Engineering – Technical MEM50212

## UNIVERSITY PATHWAYS

Associate Degree in Civil Engineering - TAFE Queensland  
Bachelor of Engineering Science - University of Southern Queensland  
Bachelor of Engineering (Honours) - Queensland University of Technology  
Bachelor of Engineering (Honours) - Griffith University

## CAREER OUTCOMES

Engineering tradesperson

Higher engineering tradesperson, special class tradesperson, draftsman

Senior draftsman, advanced engineering tradesperson

TRADES | ENGINEERING AND DESIGN

### CAMPUS

Toowoomba

### DURATION

4 terms

### STUDY MODE

Face-to-face

### WORKLOAD

1 day per week

### YEAR LEVEL

10, 11 and 12

### QCE CREDITS

Up to 5 QCE credits\*  
(dependent on Duplication of Learning)

### ATAR

This program may contribute to your ATAR eligibility upon successful completion of the certificate III qualification)

This school-based program is designed to give students an introduction to the manufacturing and engineering industry. Students will gain skills and knowledge in the areas of 2D and 3D detail drawings, AS1100 drawing standards and bills of material, print (paper and 3D), plot and email data and manage CAD (Computer-Aided Design) symbol libraries.

Find out more about Trades

**CAMPUS**Chinchilla<sup>^</sup>, Dalby<sup>^</sup>, Roma<sup>^</sup>, Warwick<sup>^</sup>**DURATION**

4 terms

**STUDY MODE**

Blended (Online and Face-to-face)

**WORKLOAD**<sup>^</sup> 1 day per week - ONLINE  
via Microsoft Teams

Plus 4 x 3 day face-to-face blocks at the campus

**YEAR LEVEL**

11 and 12

**QCE CREDITS**

4 credits

Learn how to safely solve problems in extra-low voltage DC circuits, identify and select materials for work activities, use equipment/ plant/ technologies, and dismantle, assemble and fabricate electrotechnology components.

This course covers a General Safety Induction course (White Card) – an industry requirement to work on Queensland construction sites, a CPR certificate, and all units needed for Stage 1A of an electrical apprenticeship. It is recommended that students undertake a minimum of General Mathematics.

Trades

**CERTIFICATE II IN ELECTROTECHNOLOGY**

(CAREER START) REMOTE PROGRAM

COURSE CODE: UEE22020

✔ VETIS FUNDED\*

**CORE UNITS**

UEENEEE101A	Apply Occupational Health and Safety regulations, codes and practices in the workplace
UEENEEE104A	Solve problems in D.C. circuits
UEENEEE141A	Use of routine equipment/plant/technologies in an energy sector environment
UEENEEE148A	Carry out routine work activities in an energy sector environment
UEENEEE179A	Identify and select components, accessories and materials for energy sector
UEENEEK142A	Apply environmentally and sustainable procedures in the energy sector

**ELECTIVE UNITS**

CPCCOHS1001A	Work safely in the construction industry
HLTAID001	Provide cardiopulmonary resuscitation
UEENECC010B	Deliver a service to customers
UEENEEED101A	Use computer applications relevant to a workplace
UEENEEE020B	Provide basic instruction in the use of electrotechnology apparatus
UEENEEE102A	Fabricate, assemble and dismantle utilities industry components
UEENEEE105A	Fix and secure electrotechnology equipment
UEENEEE142A	Produce products for carrying out energy sector work activities

\*Electives may differ, subject to TAFE Queensland training package review in 2022.

\*This is a remote delivery program. Students will be required to log on.

# The TAFE Queensland Reconciliation Action Plan Artwork

## ‘Connecting Knowledge – Connecting Cultures’

The TAFE QLD Reconciliation Action Plan artwork ‘Connecting Knowledge – Connecting Cultures’ is about bringing Aboriginal and Torres Strait Islander and Non-Indigenous Cultures, understandings and knowledges together.

The artwork represents a map of Country (Queensland) with TAFE at the centre. Pathways flow from different Country through out Queensland connecting Communities, connecting Cultures connecting Knowledge.

Freshwater and Saltwater blend together bringing knowledge, wisdom and culture from all over, learning two ways. TAFE Queensland is represented by the central sun symbol, freshwater and saltwater surround this symbol bringing knowledge from the six (6) regions represented by the six circles that form the ‘yarning circle’. The ‘U’ symbols represent people seated teaching and learning and assisting - Staff, Students and Teachers.

Woven pattern designs represent the capturing of knowledge and learning, the essence of what TAFE provides for many people across many aspects from business to trade and various industries.

The Torres Strait Islands are represented at the top of the artwork, the five symbols represent the five island regions of the Torres Straits. Patterns and symbols moving downward on the artwork represent different country throughout Queensland - Rainforest, Desert, Coastal, freshwater and saltwater. The rectangular blocks represent urban locations and more populated regions.

Clear pathways represent accessibility to TAFE for people from all over Queensland, from Urban, Regional, Rural and Remote locations.

The four (4) medium circles symbolise the TAFE values.

Visit [tafeqld.edu.au/rap](http://tafeqld.edu.au/rap) to view the Reconciliation Action Plan.
