SPORT AT TAS

INTRODUCTION AND VALUES

Toowoomba Anglican School has a long tradition of sporting success and providing pathways for students to realise their potential at all levels of participation. The TAS Sport Program is designed to provide opportunities for TAS students to grow and develop positive, lifelong habits and qualities of commitment, teamwork, and socialisation.

The TAS Sport Program is partnered with the Physical Education Program, which provides students with the opportunity to learn about the importance of health and fitness and develop their physical literacy in a variety of different sports. TAS students also have a rich history of participation and success in both Inter-House and Inter- School competitions, which provide additional sporting opportunities and further enhance school spirit.

While being competitive, performing at our best, and demonstrating a 'never give up' attitude is key to being successful in both life and on the playing field, TAS places a high importance on providing participation opportunities for all students and developing team and school spirit.

TAS SPORTS

The TAS Sport Program offers an exciting and challenging variety of competitive school based and Club sporting opportunities. The sports offered reflect both the extensive sporting history of the school along with current and student-orientated sport options. The major school team sports offered include Basketball, Football, Futsal, Netball, Rugby Union, Rugby 7's, Tennis, Touch Football and Cricket. Other potential school sport options include Shooting, Equestrian, and Triathlon/Aquathlon. Squad and training opportunities are also offered in Cross Country, Strength and Conditioning, Swimming, and Track & Field. Strength and Conditioning programs are included as part of training programs for selected TAS Sports and age groups.

INTERSCHOOL SPORT

QUEENSLAND COMBINED INDEPENDENT SCHOOLS (QCIS)

QCIS was founded on the Darling Downs to provide an interschool competition where students can represent their school in a friendly yet competitive environment. Schools include SCOTS PGC, Mary MacKillop Catholic College, Our Lady of the Southern Cross College (OLSCC), Concordia Lutheran College, Downlands College, and TAS. The three key sports in this competition are Swimming, Cross Country, and Athletics. Other sports have included Cricket, Futsal, Rugby 7's, Netball and Touch Football. Primary Gala Days allow our Years 4 to 6 students the same opportunity to play team sports.

TOOWOOMBA SECONDARY SCHOOL SPORT (TSSS)

TSSS is a combination of 20 schools in the Darling Downs for secondary students in Years 7-12. TAS students compete in a variety of TSSS sport trials which may lead to participation in Darling Downs School Sport trials.

QUEENSLAND GIRL'S PRIMARY INDEPENDENT SCHOOLS (QPGIS) - ANDREWS CUP

Throughout the year, primary school girls participate in the QPGIS Andrews Cup against schools from both the Toowoomba, Brisbane, and Gold Coast Regions. Sports may include Swimming, Touch Football, Athletics, Tennis, Gymnastics, AFL, Cross Country, Football, Netball, and Cricket.

GILBERT

SPORTING ASSOCIATIONS

Through our links with a variety of associations, we can deliver a broad range of experiences for our students. These associations include:

- Toowoomba Netball Association
- Football Queensland Darling Downs
- Downs Rugby
- Equestrian Queensland and the Australian Campdraft Association
- Southern Region & Queensland Tennis
- SWQ Futsal Association
- Toowoomba Touch Association
- Toowoomba Basketball Association
- Toowoomba Junior Cricket Association

CLUB SPORT MODEL

To complement inter-school sport and to provide quality, year-round sporting opportunities, TAS also participates in several local Club competitions. This competition model has been highly successful and has seen many benefits for our students, including providing additional opportunities to represent the school and to interact with the wider community. Many of our Club sports also allow children to start from Prep and continue until Year 12. These sports may include:

- Football
- Rugby Union
- Tennis
- Netball
- Cricket
- Touch Football

REPRESENTATIVE SPORT

Throughout the year Toowoomba Primary School Sport, TSSS, and Darling Downs School Sport (both primary and secondary) run trials in a variety of sports to choose representative teams. Darling Downs representative teams compete against other State regions at QLD School Sport State Championships. In most cases, primary and secondary students are required to participate in either a TSS or TSSS trial to be eligible to attend a Darling Downs trial. In certain sports, TAS may conduct in-house trials to choose players to be nominated for these trials, which ensures both the players and the school meet the required selection criteria. All nominations for these trials must be approved by TAS and are at the sole discretion of the school. It is also important to note that only students who are available to attend both the Regional and State Championships will be eligible for nomination. For details, please refer to the TAS App for updates or contact the TAS Sports Office. Further information can be found on the Darling Downs School Sport website.

STRENGTH & CONDITIONING

Here at TAS we believe that Strength and Conditioning as a method of injury prevention and preparedness for the demands of competition to be essential for all sports.

As such, we are developing a program from the ground up with the assistance of the FitLab where we are already offering Court side S&C for Tennis, Field side S&C for Rugby, Netball and Football for our TAS students.

With the establishment and opening of the Gill Precinct Gym we are now moving to phase two of our program development, allowing for a wider variety of S&C activities to be engaged by our students with continued support of the FitLab Staff.

Much of what will be done in S&C will be preventative, and testing will be to identify weaknesses in individuals early before they become an issue mid-season. Some students may be directed to access further sessions of their own from our providers should the sessions available at school not be sufficient for the needs of the individual, and this will then be at the cost of families.

COACHES, VOLUNTEERS AND OFFICIALS

We appreciate the involvement of the many parents and student volunteers in TAS sporting activities. Any parents interested in volunteering or coaching are welcome to be involved, with education and accreditation opportunities offered. All TAS students interested in coaching, refereeing and umpiring are also encouraged to participate and support junior teams through coaching and officiating opportunities. For further details, please contact the Sports Office.

RECOGNITION

As TAS has a high number of students involved in a variety of both school and Club based sports, a big part of our philosophy is to celebrate their participation and achievements throughout the year at assemblies, sports meetings, selected social media and publications, and at the TAS Sports and Performing Arts Awards Night at the end of each year. Our annual TAS Sports Awards are based upon our school-based participation pathways where our students have participated and gained success from our direct programs. We encourage our community to let us know of any student sporting successes so that we can share and celebrate those achievements. Please forward any sporting news to the TAS Sports Office.

TAS SPORT PLAYING UNIFORM

The TAS Sport Uniform is an important part of the school's identity and culture. It reflects the value we place on traditional standards of excellence whilst being modern, sustainable, and of the highest quality. We want TAS students to be proud of the TAS Sport uniform and know that it is of the highest quality for their level of playing. The Sports Uniform supplied by our exclusive Sports Apparel provider Gilbert, has been developed to create consistency of design, colors, and apparel across the range of sports that TAS offers. The 'TAS Stripe' will become an iconic element of the TAS Sport identity. The Stripe is also a nod to our school's history as it was the Rugby uniform when the school became coeducational in 1972.

TAS is also committed to lessening the financial impact of our Sporting Uniforms on families and in 2023 introduced a Hiring System for TAS Sport Playing Uniforms. This will allow growing students to upsize each year without paying the full cost of a uniform each time a new size is needed. The Hire agreement will see playing tops, jerseys, and dresses available for hire for the season of that respective sport for a small fee. Shorts, pants, and socks will still need to be purchased. This will be managed by the Uniform Shop and if garments are not returned by the end of the season on time and in reasonable condition, the cost of the garment will be charged to School Accounts. For members of TAS United (Football), the hire of garments will be arranged directly with the Club. For further information on the TAS Sports Uniform rebrand, please contact the Sports Office. or visit our website.

AQUATHLON/TRIATHLON

TAS Students are provided with an Aquathlon and Triathlon pathway through specific training sessions. Students can attend school-based training sessions prior to Regional trials under the guidance of qualified and experienced coaches. Successful students will be selected to represent TAS at the Darling Downs School Sport Aquathlon and Triathlon trials.

TRAINING

Please contact the Sports Office. These sessions are incorporated with our Swimming and Cross-Country training sessions where pertinent.

EQUESTRIAN

TAS Equestrian has significantly grown over the past several years to accommodate both our primary and secondary, day and boarder students' aspirations. The TAS Equestrian Team is affiliated with Equestrian Queensland and the Australian Campdrafting Association which enables our students to participate in the Interschool Queensland competitions run by Equestrian Queensland and Equestrian Australia. Disciplines that the team can compete in are Dressage, Showjumping, Show Horse, Showman, Combined Training and Eventing, Pony Club, Gymkhanas, Cutting and Campdrafting.

TRAINING

All training is performed off campus and privately sourced. This sport is reliant on parental support from each participant as the school does not have resources to transport, house or train horses on site. TAS will coordinate all correspondence with affiliates for students and provide support for those wishing to participate in all things Equestrian. If you have any further ideas to enhance our program or seek further information, please contact the Sports Office (sport@taschool.qld.edu.au).

COMPETITIONS

Annual events include:

- Darling Downs and South-West Queensland Interschool Equestrian Regional Championships
- Queensland State Interschool Equestrian Championships
- Australian National Interschool Championships
- Highschool Percentile Cup Campdraft
- Pony Club, Gymkhanas, and many other options either locally or within Southern Region

All events are on the Equestrian Qld Interschool and Australian Campdraft Association Calendars.

FOOTBALL | TAS UNITED FOOTBALL CLUB

Football is a very popular sport at Toowoomba Anglican School with the school program centered around the TAS United Football Club who compete in the Football Qld – Darling Downs Competition. The TAS United Club operates as a committee with volunteer parents working with TAS Sport to provide the best experience for players and parents throughout the season.
