FAMILY FEE CAP

The Family Fee Cap is based on 2.5 students enrolled at the school, and available to all families regardless of how many students are enrolled across the primary and secondary school. The Family Fee Cap is calculated annually based on the actual tuition fees for the first and second siblings, 50% of tuition fees for the third sibling and 0% thereafter. The Family Fee Cap does not apply to families who are currently receiving a scholarship, bursary or any other form of fee assistance.

For example, a family with four children in Years 1, 3, 5 and 6 currently pays $50,727 per year. The family fee cap will be calculated as $14,734 (Year 6) + $13,331 (Year 5) + $6,020 (Year 3) + $0 (Year 1) = $34,085 plus the GPL for each child. To qualify for the Family Fee Cap, you need to be the biological parent and/or legal guardian of all children.

As Australia's only co-educational K-12 Day and Boarding School offering Boarding from Years 1 to 12, we have always been a community that values family and inclusion, this is our way to show support for families during these years.

UPFRONT DISCOUNT – 3%

A 3% up-front discount will apply *on tuition fees only*, if full payment of tuition and the general-purpose levy is received by 28 January 2027.

If you withdraw the student from the School or change the status from boarding student to day student or postpone or vary the enrolment, you must still pay all tuition and boarding fees for the student for:

   - The term in which the notice of withdrawal expires; or
   - If the notice of withdrawal does not expire during a term – the term immediately following the date on which the notice expires (which, if the notice of withdrawal is given before the student starts at the School, will be the term in which the student was to commence at the School).

   You do not need to give notice of withdrawal when the student leaves the school after completing their secondary schooling at the end of Year 12.
