- (c) Non-Commencement with notification of withdrawal:
 - i. If the school receives written notification of withdrawal by the student (or parent(s)/legal guardian if the student is under 18) 4 or more weeks prior to commencement, the school will refund the amount of tuition fees received less an administration fee of \$500.00.

8. Provider Default

Any default by the school must be compliant with the current provisions of the ESOS Act 2000 and the ESOS Regulations 2019.

- a) If for any reason the school is unable to offer a course on an agreed starting day for the course, and the student for some reason cannot be placed or refuses placement in an alternative course arranged by the school, a full refund of any unused tuition fees* received by the school with respect to the student will be made within 14 days of the agreed course starting day.
- b) If for any reason the school is unable to continue offering a course after the student commences a course, and the student for some reason cannot be placed or refuses placement in an alternative course arranged by the school, a full refund of any unused tuition fees* received by the school with respect to the student will be made within 14 days of the school's default day.
- c) In the event that the school is unable to fulfil its obligations of providing an agreeable alternative course for the student, or a refund, the student will receive assistance from the Australian government's Tuition Protection Service. For information on the TPS, please see: <https://tps.gov.au/StaticContent/Get/StudentInformation>.
- d) Where such a provider goes into default:

- i. From a financial perspective, because the VET component falls under the school's CRICOS registration, the student's tuition fees for the course (including the VET components) are protected by virtue of the school's CRICOS registration.
- ii. From a course delivery perspective, if the RTO the school has partnered with closes or is otherwise unable to deliver the VET component, the school must ensure that the student is still able to complete the secondary school course for which their visa has been issued. This could mean engaging an alternative VET provider to deliver the VET components or if this is not possible, offering alternative secondary school subjects which meet the requirements for completing the school qualification.

**Calculation of the refund due in this case is prescribed by a legislative instrument (s.7 of Education Services for Overseas Students (Calculation of Refund) Specification 2014). <http://www.comlaw.gov.au/Details/F2014L00907>.*

9. This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.
